

“Now there are varieties of gifts, but the same Spirit. And there are varieties of ministries, and the same Lord. There are varieties of effects, but the same God who works all things in all persons. But to each one is given the manifestation of the Spirit for the common good.”

1 Corinthians 12:4-7

Ministry Connections Ministry Team

Organized ministry at Grace Covenant is accomplished through the intentional involvement of the church body as its members willingly participate in a variety of focused ministry teams. The scope of each ministry team is defined by the leadership team and a team leader is selected based on giftedness, experience and confidence in the individual’s ability to lead. The ministry team is accountable to the leadership team. Please prayerfully consider the Lord’s leading you to be a member of this ministry team.

Ministry Connections Ministry Team Responsibilities

Establish, develop, and maintain a gifted resource pool. Facilitate entry of the congregation into God’s service at Grace and provide assistance to Ministry Leads in resourcing Grace’s ministries. Responsibilities include but are not limited to:

- **Establish resource pool** – Inventory the congregation via annual “Ministry Interest Survey”, networking, enfolding information, and other means to establish an adequate resource pool.
- **Develop the resource pool** – Provide learning opportunities through Sunday School or special events and promote ministry mentoring.
- **Maintain a sufficient level of resources** – Continually build the resource inventory through communications media and personal recruitment.
- **Facilitate entry into ministry** – Work with the people and ministry leads to best match them with needs and follow through with the “entry” process.
- **Membership** - Assume primary responsibility for encouraging new and old friends of Grace to consider membership.
