

“Now there are varieties of gifts, but the same Spirit. And there are varieties of ministries, and the same Lord. There are varieties of effects, but the same God who works all things in all persons. But to each one is given the manifestation of the Spirit for the common good.

1 Corinthians 12:4-7

Outreach Ministry Team

Organized ministry at Grace Covenant is accomplished through the intentional involvement of the church body as its members willingly participate in a variety of focused ministry teams. The scope of each ministry team is defined by the leadership team and a team leader is selected based on giftedness, experience and confidence in the individual’s ability to lead. The ministry team is accountable to the leadership team. Please prayerfully consider the Lord’s leading you to be a member of this ministry team.

Outreach Ministry Team Responsibilities

It is the goal of the Outreach Ministry Team to develop and manage a long range plan for an effective outreach ministry so our congregation and its various ministries **incorporate outreach into all we are and do**.

Responsibilities include but are not limited to:

- **Plan and lead.** To prayerfully lead Grace in her ministry of outreach to our immediate neighborhood as well as our network of personal relationships. This might include things like contacting our neighbors via mailings, door hangers, etc.; planning events to which our congregation might invite friends, neighbors, co-workers.
- **Equip.** To provide teaching/equipping/encouraging opportunities for the people of Grace. For example, in the past we have offered the School of Evangelism, Contagious Christian Course and Living Proof.

Organizational Structure
