

*“Now there are varieties of gifts, but the same Spirit. And there are varieties of ministries, and the same Lord. There are varieties of effects, but the same God who works all things in all persons. But to each one is given the manifestation of the Spirit for the common good.*

*1 Corinthians 12:4-7*

## Preschool Ministry Team

Organized ministry at Grace Covenant is accomplished through the intentional involvement of the church body as its members willingly participate in a variety of focused ministry teams. The scope of each ministry team is defined by the leadership team and a team leader is selected based on giftedness, experience and confidence in the individual’s ability to lead. The ministry team is accountable to the leadership team. Please prayerfully consider the Lord’s leading you to be a member of this ministry team.

### Preschool Ministry Team Responsibilities

The mission of the Preschool Ministry Team is “Laying foundations for future faith”. The primary goal is to help preschoolers lay foundations for trust and faith in God. This is accomplished first by meeting the health and safety needs of the child; and second by giving parents the security of knowing their child is being cared for and taught by caring teachers in a safe and secure environment. And most importantly, because we know that preschoolers learn best by doing, we provide age appropriate activities using Biblically based curriculum. Responsibilities include but are not limited to:

- **Pray** for and raise up, train and encourage a group of volunteers to minister to preschoolers
- **Oversee** Preschool ministries
- **Coordinate** and communicate information between team member

### Organizational Structure
