

“Now there are varieties of gifts, but the same Spirit. And there are varieties of ministries, and the same Lord. There are varieties of effects, but the same God who works all things in all persons. But to each one is given the manifestation of the Spirit for the common good.

1 Corinthians 12:4-7

Social Events Ministry Team

Organized ministry at Grace Covenant is accomplished through the intentional involvement of the church body as its members willingly participate in a variety of focused ministry teams. The scope of each ministry team is defined by the leadership team and a team leader is selected based on giftedness, experience and confidence in the individual’s ability to lead. The ministry team is accountable to the leadership team. Please prayerfully consider the Lord’s leading you to be a member of this ministry team.

Social Events Ministry Team Responsibilities

It is the goal of the Social Events Ministry Team to develop and manage a long range plan for an effective Social Events program. Responsibilities include but are not limited to:

- **Cooperation and Planning** – Work in cooperation with other ministries to schedule, promote, communicate and facilitate fellowship events.
- **Sunday Fellowship** – Promote church fellowship events planned around Sunday services. Considering that Sunday services are the primary events that draw the congregation together, promote and plan fellowship events that broaden the Grace family relationship beyond Sunday service fellowship.
